The figure consists of two separate line graphs. The left graph plots 'Rate of reaction' on the y-axis against 'Temperature (°C)' on the x-axis. The x-axis has markings for 10, 20, 30, and 40. The curve starts at a low rate at 10°C, rises to a peak at 30°C, and then begins to decline at 40°C. The right graph also plots 'Rate of reaction' on the y-axis against 'Temperature (°C)' on the x-axis. The x-axis has markings for 10, 20, 30, and 40. This curve shows a continuous, steep upward trend, starting from a low rate at 10°C and reaching its highest point at 40°C.

District of the City of New York, Port of New York.

I, Robert Scott Master of the Belgian S.S. "Havry" do solemnly, sincerely and truly swear that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York, is a full and perfect list of all the passengers taken on board the said vessel at Antwerp from which port said vessel has now arrived; and that on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates and causes of death, and the names and ages of those who died; also of the pieces of baggage of each; also a true statement, so far as it can be ascertained, with reference to the intention of each alien passenger as to a protracted sojourn in this country. So help me God.

Sworn to this 8th day of Jan 1882

List or Manifest Of all the Passengers taken on board the S.S. "Havry" whereof
Robert Scott is Master, from Antwerp burthen tons.

I, *W. Murphy*

I, Mc Murphy Master of the R. H. S. Scythia do solemnly, sincerely and truly swear
that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York, is a
full and perfect list of all the passengers taken on board the said vessel at Albany from which port said vessel has now arrived; and that
on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the
country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who
have died on said voyage, and the dates and causes of death, and the names and ages of those who died; also of the pieces of baggage of each; also a true statement, so
far as it can be ascertained, with reference to the intention of each alien passenger as to a protracted sojourn in this country. So help me God.

List or Manifest OF ALL THE PASSENGERS taken on board the *R M S Seydlitz* whereof
M Murphy is Master, from *Liverpool* burthen *2906* tons.

District of the City of New York, Port of New York.

I, Schoenhafen Master of the Ship S.S. Daniel Heermann do solemnly, sincerely and truly that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York, is a full and perfect list of all the passengers taken on board the said vessel at Antwerp from which port said vessel has now arrived; and that on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates and causes of death, and the names and ages of those who died; also of the pieces of baggage of each; also a true statement, so far as it can be ascertained, with reference to the intention of each alien passenger as to a protracted sojourn in this country. So help me God.

Sworn to this 20 day of October 1888.

Attest:

List or Manifest OF ALL THE PASSENGERS taken on board the Ship S.S. Daniel Heermann whereof
